Routledge Handbook of Environmental Conflict and ...

Peacebuilding—helping societies make the transition from civil violence to a durable peace—has been the UN's principal security activity since the end of the Cold War. Although peacebuilding methods have been refined over years of trial and error, it remains an uncertain science, yielding mixed results. Nevertheless, for all its shortcomings, the international peacebuilding "project" remains one of the most remarkable exercises in collective conflict management the world has ever ...

Peacebuilding - Oxford Handbooks

Peacebuilding and Local Ownership: A Handbook for Practice 4 In response to these findings, the PeaceCapacity project was designed to contribute to bridging the gap between the promise and practice of capacity building. As outlined above, EU-CIVCAP identifies an engaged civil society as being crucial to successful peacebuilding.
