An Introduction to the Study of Indian History is a classic work of Indian historiography by Damodar Dharmananda Kosambi first published in 1956. Through this book Kosambi revolutionised Indian historiography with his realistic and scientific approach. He understood history in terms of the dynamics of socio-economic formations rather than just a chronological narration of "episodes" or the feats of a few great men - kings, warriors or saints. In the very first paragraph of his ...

The Message of Isaiah The Book of Isaiah is one of the most important books of the Old Testament. While little is known of the personal life of the prophet, he is considered to be one of the greatest of them all. The book is a collection of oracles, prophecies, and reports; but the common theme is the message of salvation. There was, according to these writings, no hope in anything that was ...
