What It's Like to Watch Your Wife Go Through Breast Cancer

Breast Cancer. Like so many, I've seen the countless pink ribbons, watched pink t-shirted individuals along fundraising walks and been aware of the NFL raising awareness for Breast Cancer driving the wearing of pink every October. Breast cancer is ingrained in our society. That said, mine remained a passing awareness.

Key Points: HDC report heavily criticises GP and medical centre for missing young woman's cancer. A mum in her 20s died of breast cancer after a GP failed to investigate her "red flag" symptoms.

Mum in her 20s dies after GP 'misses opportunity' to ...

Deciding who to tell It could be helpful to start by making a list of people that you want to talk to in person. Then you can make another list of friends that you socialize with less often and have another friend or family member contact them with the news. People usually tell their spouse or partner first, then other family and close friends.

Telling Others About Your Cancer

The most well-known are breast cancer gene 1 (BRCA1) and breast cancer gene 2 (BRCA2), both of which significantly increase the risk of both breast and ovarian cancer. If you have a strong family history of breast cancer or other cancers, your doctor may recommend a blood test to help identify specific mutations in BRCA or other genes that are ...
