## **Sexual Behaviors in Children | Psychology Today**

Sexual Behavior Problems - Getting Help. Since we know that 30% to 50% of child sexual abuse is committed by an older child or teen, it is important for professionals who work with youth to be able to recognize and address sexual behavior problems. Yet, when confronted with sexual behavior problems in the kids with whom we work, we may feel afraid, disgusted, or at a loss as to how to help the youth and their family.
