Exploring Christian Theology The Church

As the above quote suggests, the
general editors of the series and the
author of the book Exploring Christian
Theology: The Church, Spiritual Growth,
and the End Times (Bethany, 2014) seek
to pen a book that provides a thorough
survey of theological doctrines complete
with biblical exegesis, historical
developments, and practical application.

Exploring Christian Theology will offer introductions, overviews, and reviews of key orthodox, protestant, evangelical tenets without belaboring details or boiling up debates. The three ECT volumes, compact but substantial, provide accessible and convenient summaries of major themes; they're intended as guidebooks for a church that, overall, is starting for the very doctrine it's too long ...

Exploring Christian Theology: The Church, Spiritual Growth ...

When we use the Apostles' Creed to define Christian theology, it immediately becomes apparent that theology in the Christian faith is both unified and diverse. We may speak of a single, unified Christian theology because there are many common beliefs, practices and feelings among Christians.

Exploring Christian Theology by Nathan D Holsteen | Koorong

Although theology is often thought to be the playground of scholars and professional theologians, authors Nathan Holsteen and Michael Svigel assure us that this shouldn't necessarily be the case. Drawing on their years of experience teaching theology in both the church and seminary setting, Exploring Theology is a guide for everyday Christians wanting to go deeper in their faith.

Exploring Christian Theology Collection (2 vols.) | Logos ...

Ordinary theology research has proved to be key in uncovering people's everyday lay theology or ordinary dogmatics. Exploring Ordinary Theology presents fresh contributions from a wide range of authors, who address the theological, empirical and practical dimensions of this central feature of ordinary Christian existence and the life of the Church.
