Lord of the White Hell is a 700 pg epic fantasy story filled with romance, danger, legend, lore, action, clashing religion, and the theme of following your heart. Thankfully this incredible story is broken up into two books so as not to scare readers but book two picks up exactly where book one left off.

duologies, which stand on their own but share characters, history and a fantasy world setting. All the volumes—even the final installment that I'm currently penning—explore themes of closed societies and individuals discovering that to survive they must open themselves to people and beliefs that are “other”.

### **Intro to a Series: Lord of the White Hell by Ginn Hale**

The imagery in Lord of the White Hell blazes from the page with ferocious brightness. Josh Lanyon, author of Strange Fortune Lushly detailed, with believable, fully developed characters, this fantasy with homoerotic overtones is reminiscent of Mercedes Lackey's Vanyel novels and should appeal to a similar readership.

Like Hale's epic "Rifter" series, the "Lord of the White Hell" books offer complex world-building and a core mystery that culminates in a showdown between good and evil. But here the narrative is centered on the emerging relationship between two very different young men who are forced to be roommates in an aristocratic boarding school.

### **Lord of the White Hell | Series | LibraryThing**

Lord of the White Hell: Book One had the same strengths that made me enjoy Ginn Hale's earlier work, *Wicked Gentlemen* - compelling characters facing a clash caused by belonging to two very different social groups. In *Wicked Gentlemen*, there was a dissonance between Belimai's demon ancestry and life in Hells Below and Harper's role as a part of the Inquisition.
