### **How can I get a spce book for Medallion cabinetry?**

Types of Kitchen Floor Plans. The most common and efficient kitchens usually have an L-Shape or a U-Shape design. L-Shape - This common layout makes good use of limited space. U-Shape - This ideal design provides an efficient work pattern with ample room for cabinets and countertops. Other floor plans include: Straight - With all the work area on one wall, this is an inefficient layout ...

The cabinet's finish mimics your home's finest details: radiant, beautiful, and resists tarnish. At its core, cabinetry is functional, storing ingredients of a passed down recipe or the tools required for a Saturday morning family breakfast. At Avance, our cabinetry embraces each of these characteristics and fuses them with a unique approach.
