Sources Of The River 2nd

Sutlej is an antecedent river.The Sutlej, along with all of the Punjab rivers, is thought to have drained east into the Ganges prior to 5 mya.. There is substantial geologic evidence to indicate that prior to 1700 BC, and perhaps much earlier, the Sutlej was an important tributary of the Ghaggar-Hakra River (thought to be the legendary Sarasvati River) rather than the Indus, with various ...

Sutlej - Wikipedia

The Nile River system has two principal tributaries which combined make the existing Nile river, the White Nile, which supplies much less water to Nile's flow, and the Blue Nile. The source of the White Nile is the Luvironza River, the source of the Blue Nile is Lake Tana in the Gilgel Abbay watershed in the Ethiopian Highlands.. In 2010, an exploration party went to a place described as the ...

Nile - Wikipedia

Kaveri River, sacred river of southern India. It rises on Brahmagiri Hill of the Western Ghats in southwestern Karnataka state, flows in a southeasterly direction for 475 miles (765 km) through the states of Karnataka and Tamil Nadu, and descends the Eastern Ghats in a series of great falls. Before
