That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

The Feminine Mystique Chapter 1

Women with the problem that has no name spent their lives in pursuit of the feminine mystique. The older ones, in their forties and fifties, had other dreams, which they gave up. The young ones in their twenties never had any other dream. The constant consumption of products could not address women's sense of purposelessness.

The Feminine Mystique: Chapter 1 "The Problem that Has No Name" Betty Friedan . The problem lay buried, unspoken, for many years in the minds of American women. It was a strange stirring, a sense of dissatisfaction, a yearning that women suffered in the middle of the twentieth century in the United States. Each suburban wife struggled with it alone.

The Feminine Mystique: Chapter 1

Summary. The first chapter probes a common malaise among American women, including both those who enjoy middle-class comforts and those "preoccupied with desperate problems of poverty and poor health." A wealth of statistics points to a shift from the first-wave feminism of the mid-19th century, which produced the New Woman of the 1920s and '30s, to the lives of women in the 15 years after World War II.

The Feminine Mystique Chapter 1 Summary | Course Hero

Chapter 1, The Problem That Has No Name Summary. Betty Friedan begins her book with a description of the problem. The problem, which has been buried for many years, is dissatisfaction and a longing in suburban housewives. Generally, the more education and ability a woman possessed, the more she suffered from the problem that has no name.

The Feminine Mystique: Chapter 1 The Problem that Has No Name

Chapter 1: Friedan discusses the trends in marriage and births that affected women in the 1950s. The average age of marriage was dropping and the birthrate was increasing and yet there was a continuing trend in the unhappiness of women.

The Feminine Mystique Summary | GradeSaver

The Feminine Mystique, a landmark book by feminist Betty Friedan published in 1963 that described the pervasive dissatisfaction among women in mainstream American society in the post-World War II period. She coined the term feminine mystique to describe the societal assumption that women could find fulfillment through housework, marriage, sexual passivity, and child rearing alone.

The Feminine Mystique | Summary, Significance, & Facts ...

Chapter 1: Friedan points out that the average age of marriage was dropping, the portion of women attending college was decreasing and the birthrate was increasing for women throughout the 1950s, yet the widespread trend of unhappy women persisted, although American culture insisted that fulfillment for women could be found in marriage and housewifery. Although aware of and sharing this dissatisfaction, women in the 1950s misinterpreted it as an individual problem and rarely talked about it ...
