### The Global Intercultural Communication Reader

Intercultural communication is a dismuting communication communication across different cultures and social groups, or how culture affects communication. It describes the wide range of communication processes and problems that naturally appear within an organization or social context made up of individuals from different religious, social, ethnic, and educational backgrounds.

### Intercultural communication - Wikipedia

Communication Process: For the global project manager, an important key to success is awareness of the intercultural communication process. Global project managers understand the simple process of communications (sender, message, receiver, feedback), however, the process can be problematic when the two communicators are from different cultures.
