Amazon.com: Customer reviews: The Leaderless Revolution ...

Was the Revolution Spontaneous? Liberal writers have generally portrayed the February events as “leaderless” and “spontaneous.” This notion fits in well with the narrative that February was a legitimate popular revolution whereas October was a conspiratorial plot imposed by a ruthless Bolshevik minority.

A Guide to the February Revolution - Jacobin

“Technology enables leaderlessness in a way that was not possible before,” Carne Ross, the executive director of Independent Diplomat, a diplomatic advisory group, and the author of The Leaderless...

The Leaderless Protests Around the World - The Atlantic

The Leaderless Revolution offers a refreshing and pungent contrast to the Panglossian optimism of Tom Friedman’s The World is Flat but, like that book, it offers a way of understanding the world of the 21st century that is both clear and easily comprehensible. Carne Ross takes different angles on contemporary issues – economics, politics, the state of democracy, the environment and terrorism – wrapping them into a unified explanation of how money and power function to control the lives ...

“Revolution of the Ordinary is a milestone in literary studies. In lucid and invigorating prose, Moi shows how a certain picture of ‘literary theory’ has held us captive and offers a brilliant and devastating analysis of its weaknesses. Drawing on the tradition of ordinary language philosophy, she offers a new vision of how we might think ...
