In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

The Lost Savior A Reverse

The Lost Savior is a reverse Harem genre. If you have never read this genre before, you are missing out on ALOT. LOL I came across this genre last year and absolutely love it. In a nutshell, reverse harem is where a female is at the center of interest and 3 or more men are her harem. And no, it's not smutty like it sounds.
