The Wind In The Bamboo

"The Wind in the Bamboo" examines issues of race, identity, the body, scientific classification and genocide, through a sweeping Chatwinesque narrative of journeys into the remaining lands of these ancient forest people. Edith Mirante presents the story of the "Negrito" peoples (the ultimate survivors) with candor, wit and compassion.

And we consider, why bamboo? What is a "bamboo kind of day"? Any angler, with graphite or cane, who has found peace in the simplicity of a line well cast or a moment beyond the reach of time, will understand the quest and understand the greatest truth: the journey is the goal. A Wisp in the Wind is a journey well worth taking.
